We adopted new accounting standards related to revenue recognition and leases effective July 1, 2017. The prior periods presented here have been restated to reflect adoption of these new standards.

We have recast certain prior period amounts on our consolidated cash flows statements to conform to the current period presentation. The recast of these prior period amounts had no impact on our consolidated balance sheets, consolidated income statements, or net cash from (used in) operations, investing, or financing on our consolidated cash flows statements. ■■■
